RE: ESSENTIAL HOME CARE SERVICES DESIGNATION

(Expires according to state or federal order)

To Law Enforcement & Emergency Services Personnel:

The bearer of this letter is employed by Health Management, Inc. (HMI) in an essential capacity, providing home care services to vulnerable individuals, elderly and disabled clients, who rely on these caregivers for their essential needs in their homes. Many are not able to leave their homes alone or obtain health care elsewhere at this time. Both President Trump's National Emergency Orders and state and local shelter-in-place orders exempt essential services including healthcare providers.

This designation is only meant to address travel to and from work assignments. If you need to verify the bearer's employment and that s/he is currently on assignment with HMI Home Health Agency at 1707 L St, NW, Ste 900, Washington, DC 20036, please contact Rohini Maris at 202-829-1111.

Sincerely yours,
